

*"Inspiring you to live your healthiest life"*

We are excited you are interested in our Third Annual Taste & Explore offering!

Here are a few details we would like you to review.

Events will be held outside on our patio/outdoor kitchen area located in a wooden area. Weather in the Upper Peninsula is sometimes hard to predict, if weather forecast looks like a down pour or thunder and lightning, we will reschedule or move the location of our event. We have large umbrellas and a gas fireplace so we may hold class if a slight drizzle does occur. We do share our home with a Golden Retriever who will NOT be attending the event with us and caution to those with sensitivities to dogs.

Michigan laws do not allow us to provide alcohol during the event. You may bring your own to sip on during the event.

Please let us know if you have a food allergy. We may not be able to accommodate all allergies and will be happy to discuss with you.

Most importantly have fun and share your knowledge and excitement with a great group of people who love to learn about food.

Wellness Wishes,

Inspiring Roots LLC
